Matematica e geografia

Attività prevista dal progetto:

A9. Insegnamento reciproco tra i partner attraverso attività peer-to-peer per mostrare come la matematica sia collegata a situazioni di vita reali.

Matematica e geografia

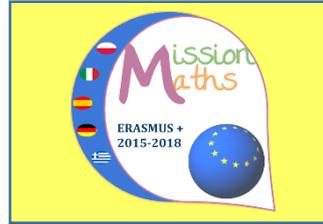

Attività realizzata:

Durante l'incontro degli studenti dei vari paesi avvenuto in Italia ad aprile 2017, la classe 3 A ha preparato un gioco da fare in palestra, tipo gioco dell'oca, con vari quesiti matematici sulle caratteristiche geografiche dell'Europa e dei paesi coinvolti nel progetto.
